Compatible with all **BLUETOOTH**<sup>®</sup> - Enabled Devices

DATASHEET

**INCREDIBLE SOUND FOR MOBILE AND INTERNET CALLS**

With Jabra SUPREME UC, there's never a reason to miss a mobile or internet call. You can stay connected to your mobile phone or PC, at home or at the office. It includes a discreet Nano *Bluetooth*<sup>®</sup> USB adapter, which allows you to connect quickly and easily to your PC by simply plugging it into the USB port – no installation needed. Once connected, you'll be able to make and take calls on your PC using the latest internet call software. Even while using your PC, you can still stay connected to your mobile phone, and switch seamlessly between both devices. Jabra SUPREME UC also lets you connect to practically any *Bluetooth*<sup>®</sup> enabled device you choose, making it easy to keep up with your media on your tablet, Mp3 player, PC or mobile phone.

Jabra SUPREME UC provides incredible sound quality with Active Noise Cancellation technology. It is the first *Bluetooth*<sup>®</sup> mono headset to offer this exceptional feature which enhances YOUR listening experience, so that you hear the conversation clearly and without disruptions from your surrounding environment. It features state-of-the-art audio enhancement technology, delivering incredible sound quality for you and the person you are talking to. Jabra SUPREME UC unites design and usability with its patented Flip-Boom arm, which makes it easy to activate and carry. Simply unfold the arm to switch ON and fold up to switch OFF.

**Reasons to choose the Jabra SUPREME UC**

- Multiuse™ - Connects to your PC, mobile phone, tablet and any Bluetooth enabled device
- Nano Bluetooth USB adapter (Jabra LINK™ 360) - Easy PC connectivity for internet calls
- Active Noise Cancellation - Enhances your listening experience

## Quick Start Guide

### WEARING STYLE

The Jabra SUPREME UC is ready to be worn for right ear wearing. If you prefer left ear wearing remove the ear hook and turn it and attach it from the opposite side. The ear cushions come in two different styles to fit any ear. Furthermore you can twist the lower part of the earhook to optimize the fit and comfort.

### CHARGING

Use the USB cable to connect Jabra SUPREME UC via a USB port or an AC charger. The battery indicator will flash green while charging. When the light goes out the charge is complete. It takes approx. 2 hours to fully charge the battery.

### TURN THE JABRA SUPREME ON AND OFF

Flip the boom arm to turn on (open position) or turn off (closed position).

### PAIR THE JABRA SUPREME WITH YOUR PHONE/DEVICE

1. Activate Bluetooth on your phone/device
2. Turn the Jabra SUPREME UC on
3. The first time you turn the Jabra SUPREME UC on it will automatically enter into pairing mode. The connectivity icon on the Status Display will flash with a blue light and you will be voice guided through the pairing process. If you have disabled the Voice guidance go to the Bluetooth settings menu on your phone/device and search for new Bluetooth devices. Choose Jabra SUPREME UC. When pairing is complete you will hear "Connected". You are now ready to start using your Jabra SUPREME UC.

NOTE: If asked for a passcode or key use 0000 (four zeros).

### USING YOUR HEADSET FOR INTERNET CALLS

Insert the Nano Bluetooth USB adapter in a free USB port on your PC. When Windows has installed the USB adapter turn on your headset and it will connect automatically to the USB adapter (Headset and USB adapter are pre-paired). Install the software for your internet call provider (e.g. Skype). After that you are ready to take and make internet calls.

### ANSWER CALLS

Wait for Jabra SUPREME to announce the caller. Say "Answer" to accept, or "Ignore" to reject the call. Additionally, you can tap the Answer/end button to answer, or double tap to reject the call. If Jabra SUPREME UC is off (flipped) you can take a call by flipping open and Jabra SUPREME UC connects and answers the call.

### MAKE CALLS

Tap the Voice Control button and you will be prompted to "Say a command".

You can:

- Say "Redial" to redial the last outgoing call.
- Say "Call back" to call back the last incoming call.
- Say "Phone commands" to activate the voice dialing feature on your phone\*

You can also place a call directly from your phone. If your phone is connected it will automatically transfer the call to your Jabra SUPREME UC. If the call does not transfer, tap the Answer/end button.
